Heinsburg Elementary School honors its top students

LOIS NICHOLS MEMORIAL AWARD - Linda Nichols presented a new award donated by the Nichols family in memory of their mother Lois, who taught at Heinsburg most of her career. The award went to Bailey Youngmans and Ian Jurak, Grade 5.

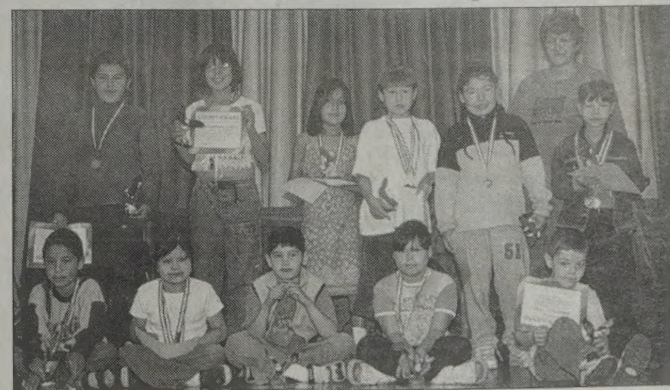

Thursday, June 28 was the day "we spend a whole year working toward" at Heinsburg Community School, said principal Lorne Young as he welcomed a good crowd of parents and family members to the school's annual Elementary Awards.

The year has brought "an incredible number of changes," which will continue this summer as the elementary rooms get an upgrade.

Thursday was set aside "to honor everyone, and recognize everyone who excelled" during the year. Young thanked the parents for their part in helping the students to achieve outstanding levels of success during the 2000-2001 school year.

Awards recognized the top athletes, most improved students, best artists, best all-around students, best Cree language students, academic honors, and best attendance in each class.

Grads going forth into life with a spirit of optimism

By Deanna Easthope
FCSS Director

The class of 2001 has just celebrated the last days of their education in Elk Point. The young people now look forward to leaving their old "stomping grounds" and moving on to "bigger and better" things. And, the parents, what do they have to look forward to? Why, they are hoping all will be well with their "young ones."

There never was a greater time in the history of the world to live upon the earth than this time. How grateful every one of us ought to feel for being alive in this wonderful time with all the marvelous blessings we have. When you think about it, anyone who wants to further their education, can find ways to do so... Why, back in the "old days," my grandparents told me that it was an accomplishment to finish grade three. The basics were taught - reading, writing and arithmetic. Kids could only go to school in the winter as they had to work on

the family farm in the spring and summer. Today, do our kids need to work on the family farm? No, not like they used to do. The main reason for this is all the modern conveniences have taken away all the manual labor that used to be done by hand.

But what about the class of 2001, what have they to look forward to after Grade 12 in Elk Point? Do they really understand and know this great time in the history of the world? How optimistic

are they?

We have every reason to be optimistic in this world.. Tragedy is around, yes. Problems everywhere, yes... You can't, you don't, build out of cynicism or pessimism. You look with optimism, work with faith, and things happen.

There is a story told about an absent-minded professor who went shopping and lost his umbrella. Discovering his loss, he retraced his steps. At the first three stores on which he called, the clerks

denied having found his umbrella. At the fourth store the clerk handed him the missing umbrella. He grumbled, "Thank goodness for an honest man. The other three told me they didn't have it."

What! ... Was this professor not willing to admit the other three stores had nothing to do with him not finding his lost umbrella in their store? So to cover up, he assumed the

last store only had an honest man. Oh my! Likewise, it seems the whole secret in life to having positive things happen to us, is our interpretation of the event - or in other words, "our attitude."

We all worry. Of course, there are times of sorrow, concern and anxiety. But there are so many people who seem never to see the sunshine, but who constantly walk with

storms under cloudy skies... Cultivate an attitude of happiness. Cultivate a spirit of optimism.

So to the Class of 2001, no matter what you choose to do after Grade 12 in Elk Point, go for it, be happy and be optimistic. Best wishes to all of you. And.. come back and visit us anytime.

One more in the wings

In last week's story about the retirement of Vernon "Babe" Sharkey, we inadvertently stated that grandsons Jamie and Dustin Sharkey are among today's bus drivers, when in fact it is grandsons Jamie and Aaron Sharkey.

Dustin is still waiting in the wings to receive his bus driving licence when he reaches the age of 18. Our apologies to the Sharkeys for the error, and again, congratulations to "Babe" on his retirement from the bus routes.

Congratulations to Mrs. Cecile Dion, who received a Native Education Award for the St. Paul District. Mrs. Dion and Ms. Carol Dion instruct Heinsburg's Cree language classes.

OBITUARY

MATLOCK, Peter

Peter Matlock of Pentticon, B.C., passed away at his home June 12 at the age of 79. He is survived by his loving wife Helen of 54 years, 4 sons and 3 daughters, Randy (Ellie) Matlock of Bonnyville, AB., Gary (Maryann) of Marwayne, AB., Iris (Rudy) Hawryluk of Edson, AB., Terry Matlock of Pentticon, B.C., Jackie (Bill) Povelofski of Williams Lake, B.C., Carol (Archie) DiCecco of Williams Lake, B.C. and Don (Tina) Matlock of Okanagan Falls, B.C. He is also survived by 16 grandchildren & 5 great-grandchildren. Peter Matlock was predeceased by his mother when he was 8 years old and his father in 1960.

Peter was born in Borschow, Poland, August 21, 1921. He came to Canada with his mother in 1927 following his father who came to Canada two years earlier. They settled near Elk Point, AB. At age 15 he left school to help his father on the farm. In 1938 he worked in a gold mine in Yellowknife NWT. From 1939 to 1945 he served in the Canadian Armed Forces. At discharge he came back home. In 1947 Peter married Helen Gelech of Elk Point. They farmed near Elk Point until 1971. They sold the farms and moved to Williams Lake, B.C. Peter worked for a contractor. His wife went back to school and then worked in an accounting office. From 1979 to 1982 they managed three apartment buildings in Edson, AB. In 1982 they retired to Pentticon and area. Peter was a self-taught man, honest, hard worker and always willing to help family and neighbors. Peter will be sorely missed by his family, relatives and friends.

The Funeral Service for Peter Matlock was held in the First Memorial Chapel with Jeff Nielson officiating. Three songs, "You're My Best Friend, Till the River Runs Dry & Some Broken Hearts Never Mend" were played. Funeral arrangements were made by First Memorial Funeral Services. A touching Eulogy was by eldest son Randy. A lovely poem called "Never" was written by granddaughter Jolene. Luncheon was served at First Memorial Tea Room. After cremation, Peter wanted his ashes scattered on his mother's grave in the Gratz Cemetery in Elk Point, a sacred privilege he was denied.

TIGERS RULE INTRAMURALS -- Elk Point Elementary's top Intramural Sports team, the Tigers, accumulated a whopping 1213 points this year to outdistance their competitors. Craig Dallaire accepts the trophy from Mr. Boyd.

Elementary camps huge success

This year's Elk Point Elementary School camps were held under mostly sunny conditions, with just the odd shower to cool things off somewhat. The camps were both very action-packed, rewarding and hopefully memorable to the students.

The Grade 6 camp went from June 12 to June 15 with 34 students and four supervisors in attendance. While at camp, the students were involved in various activities, which included archery, wood carving, canoeing, bird house construction, fishing and whistle making as well as sessions involving arts

and crafts. The "Survivor" games competition rounded out the very busy daily schedule for the Grade 6 students.

The Grade 5 camp, June 20, 21 and 22 involved 34 students as well as four supervisors. The activities for the Grade 5 students included outdoor cooking, orienteering, knot tying, sand painting, nature walk and plant identification, as well as arts and craft sessions.

Both groups of campers went on a hike, jogged each morning, participated in campfire activities, and were treated to recreational swim time

each day.

A huge thanks goes out to all the parent volunteers that transported equipment to and from camp, assisted in the kitchen preparing meals, and did all those incidentals that needed to be done! Thanks also to the staff members of the Elementary School who volunteered their time. Last and certainly not least, the campers and supervisors from the camps would like to send out a huge thanks for all those terrific meals to our head cook, Mrs. Carol Brown!

See everyone at next year's camps!
